Circular C. No. 18 of 1915-16.

It has been brought to the notice of the Inspector General that Officers in the Tutorial line, especially in Colleges and High Schools apply for short periods of privilege leave, much to the prejudice of the work of the institution concerned. As these Officers enjoy periodical vacations, the period of casual leave allowed should suffice to meet unavoidable circumstances when leave may be required. It is, therefore, requested that the Heads of the Institutions concerned should invariably satisfy themselves that the privilege leave asked for is absolutely necessary and then forward the application with their own opinion. Unless there are valid reasons, applications for privilege leave for short periods are liable to be rejected.
